

The Modern Family Boutique is a brick & mortar and e-commerce retailer. All consignment vendors must be Canadian and be the maker or designer of the products they wish to consign (no resellers). By filling out the [vendor application](#) you agree to the following:

- The consignment pay out is split 70% to the vendor and 30% to The Modern Family Boutique. The 30% includes costs associated with payment processing, consignment platform for automatic payments and tracking, labour, overhead, etc.
- The Modern Family Boutique makes every effort to ensure that theft and damages do not occur. A qualified staff or staffs will be in attendance at all times when the store is open to the public. However, should any loss or damage occur, the vendor understands and accepts the full risk of loss or damage to articles placed on consignment. Damaged items will be returned to the vendor.
- The vendor is responsible for delivery of products to The Modern Family Boutique in Kamloops. Vendors are welcome to personally drop off their products or ship their products.
- To keep customers interested in products in the store, we only keep products for 6. After six months The Modern Family Boutique will either inform vendors to pick up their products or give the option to extend the contract for another quarter.
- Payments are made to vendors via e-transfer the following month (8th - 15th, give or take a couple days during busier months).
- All products must have a tag or a surface on each product that allows for a barcode. We recommend tagging products with the vendor's branding for brand recognition.
- Before dropping off products, the vendor is required to email in a list of items that will be dropped off, along with their retail price, and a photo suitable for e-commerce purposes. To ensure items get on the floor quickly, please provide this list and photos a minimum of 24 hours ahead of time. Failure to send in the list ahead of time can result in products being delayed being put on the retail floor. List can be sent to [info@modernfamilyboutique.com](mailto:info@modernfamilyboutique.com)
- It is encouraged that all vendors provide a logo file, short description of the founder/their business and where the business is located for marketing inside the store. Our customers love to know who is behind the brands.

We appreciate every vendor that chooses to have their brand call The Modern Family Boutique home. It's important that all vendors read the above and agree to the above before filling out the [application page](#); if you fill out the application that means you are agreeing to the above. At this time our policy is not up for negotiation in an attempt to keep everything streamlined and consistent.
